- 1x Wireless garage door sensor

GATE

Included

- 1x Wi-Fi controller for single gate
- 1x Wireless gate sensor

GARAGE / GATE (wired)

Included

- 1x Wi-Fi controller for single door / gate
- 1x Wired sensor

GARAGE KIT

Voice control

Ask Alexa and Google Assistant to open and close your garage.

Automatic Close (IFTTT)

Get your garage open and close automatically with GPS location or time.

Remote Access

Control your garage from anywhere. All your remotes in a single app.

For use on ONE GARAGE DOOR ONLY

If you have more than one garage door or an Open/Stop/Close button, we strongly recommend the ismartgate PRO version instead.

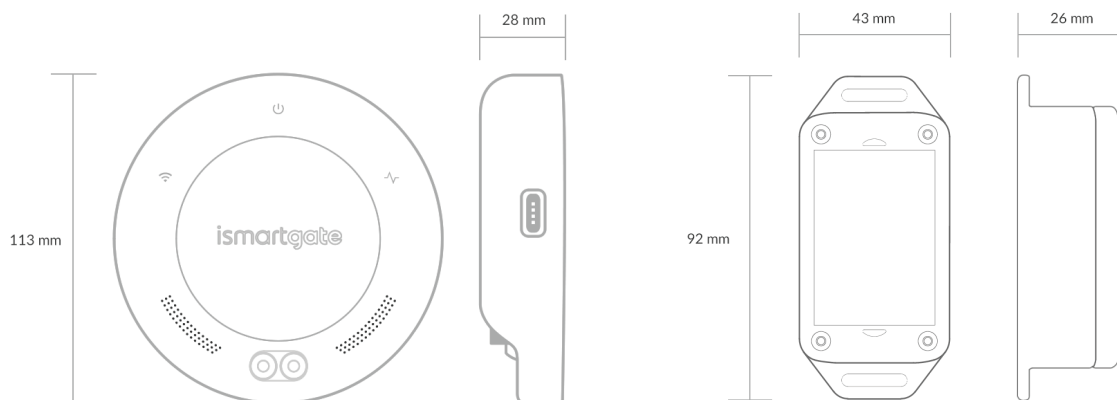

Status Alerts

Receive alerts when door is open, closed or left open. Temperature alerts too!

Easy to install

ismartgate is an easy to install product. You simply need a Smartphone, a screwdriver and 20 min of your time.

GATE KIT

Voice control

Ask Alexa and Google Assistant to open and close your gate.

Automatic Close (IFTTT)

Get your gate open and close automatically with GPS location or time.

Remote Access

Control your gate from anywhere. All your remotes in a single app.

For use on ONE GATE ONLY

If you have more than one gate or an Open/Stop/Close button, we strongly recommend the ismartgate PRO version instead.

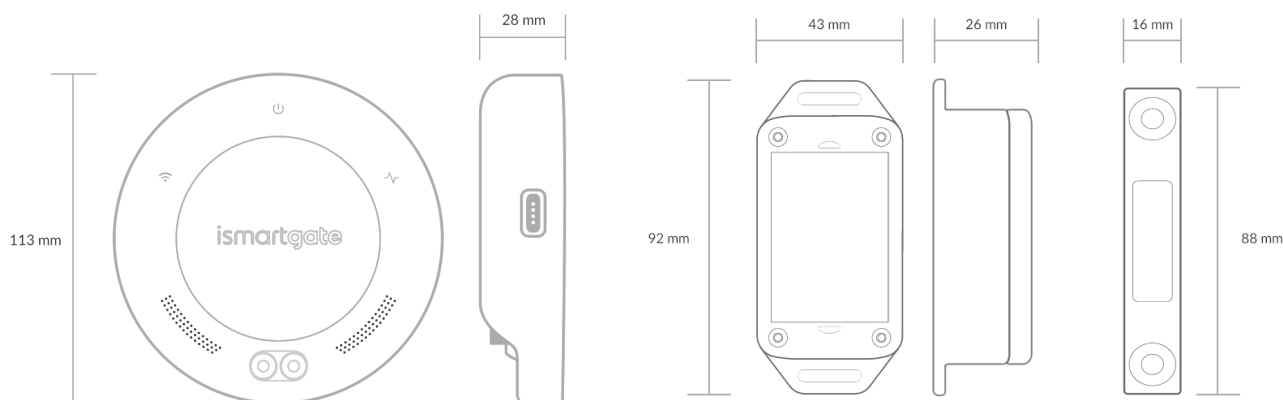

Status Alerts

Receive alerts when gate is open, closed or left open. Temperature alerts too!

Easy to install

ismartgate is an easy to install product. You simply need a Smartphone, a screwdriver and 20 min of your time.
